CAREER OBJECTIVE

To secure a position in health environment in order to provide the best supportive service to others.

PROFILE

I am a self-motivated and hardworking lady with the zeal to always assist and help people. I am looking for a challenging new role where I can learn new skills whilst utilizing the skills I currently have, such as my friendly nature which allows me to help people the best way I can. I am a keen learner that is adaptable to change and pressure. I consider my most valuable asset to be my interpersonal skill as it allows me to work effectively in a team and communicate well with customers/clients and people I come across in everyday life. I believe my previous jobs have helped me build a better understanding of how the work place functions. I believe I will be a great addition to the team as I strongly believe teamwork is essential to effective work
